LEGEND: MANAGEMENT PLAN

GENERAL

- Scheme Boundary
- Proposed maintenance track and turning areas
- Proposed first stage channel
- Proposed flood wall
- Proposed flood embankment
- Proposed riffle feature
- Proposed localized channel widening
- Proposed bridge crossing
- Proposed foot crossing
- Proposed flood control structures

MANAGEMENT AREAS - TYPOLOGIES

Typology 1A - Wetland / Floodplain pasture and riparian vegetation
- Pennycress, Yellow rattle, Common sorrel, Downy oat-grass, Quaking grass, Upright brome, Cock's-foot, Red fescue
- Common knapweed, Rough hawkbit, Oxeye daisy, Birdsfoot trefoil, Black medick, Ribwort plantain, Creeping willow, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Wild red clover, Common yarrow, Common bent, Meadow foxtail, Sweet vernal grass, Betony, Common knapweed, Yellow rattle, Common sorrel, Great burnet, Pepper saxifrage, Ragged robin, Devil's-bit
- Meadow buttercup, Yellow rattle, Common sorrel, Great burnet, Autumn hawkbit, Devil's-bit scabious, Tufted vetch, Common bent, Meadow foxtail, Wild angelica, Sweet vernal grass, Marsh marigold, Sneezewort, Common bent, Meadow foxtail, Wild angelica, Sweet vernal grass, Marsh marigold, Sneezewort
- Tufted dog's-tail, Cock's-foot, Red fescue
- Common grass mix
- (to be replanted with MG4 seed mix, but not managed as MG4)

Typology 2A - Woodland / Riparian trees and shrubs, floodplain vegetation
- Dogwood, Hazel, Hawthorn, Wild privet, Blackthorn, Field rose, Goat willow, Grey willow, Ribwort plantain, Selfheal, Slender-creeping red-fescue, Smaller cat's-tail
- Wild red clover, Black medick, Ribwort plantain, Creeping willow, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Field maple, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Crested dog's-tail, Cock's-foot, Red fescue
- Common knapweed, Rough hawkbit, Oxeye daisy, Birdsfoot trefoil, Black medick, Ribwort plantain, Creeping willow, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Wild red clover, Black medick, Ribwort plantain, Creeping willow, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder

Typology 2B - Low riparian trees, shrubs, groundcovers, and natural regeneration - scutchglas grass
- Field maple, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Field maple, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Field maple, Alder, Silver birch, Ash, English oak, Hazel, Hawthorn, Wild privet, Blackthorn, Elder
- Crested dog's-tail, Cock's-foot, Red fescue

Typology 2C - Woodland edge planting
- Hazel, Breastnut, Wild pear, Blackthorn, Elder

Typology 3 - Dry meadow
- Breastnut, Willowherb, Common bent, Common knapweed, Common sorrel, Crean, Common dogstail, Hemp agrimony, Black medick, Common bistort
- Common grass mix
- (grass based mix)

Typology 4A - MG4 meadow mix
- Common grass mix
- (grass based mix)

Typology 4B - MG4 meadow mix / Wildflower-rich grassland
- Common grass mix
- (grass and wildflower mix)

Typology 4C - MG4 meadow mix / Wildflower-rich grassland
- Common grass mix
- (grass and wildflower mix)

Typology 4D - MG4 meadow mix
- Common grass mix
- (grass based mix)

Typology 5 - High meadow with trees
- Grassland mix
- Common bent, Slender-creeping red-fescue, Smaller cat's-tail
- Common bent, Slender-creeping red-fescue, Smaller cat's-tail

Typology 6 - Ponds / Ponds and scrapes margin
- Common yarrow, Common bent, Meadow foxtail, Sweet vernal grass, Betony, Common knapweed, Yellow rattle, Common sorrel, Great burnet, Pepper saxifrage, Ragged robin, Devil's-bit
- Common yarrow, Common bent, Meadow foxtail, Sweet vernal grass, Betony, Common knapweed, Yellow rattle, Common sorrel, Great burnet, Pepper saxifrage, Ragged robin, Devil's-bit

Typology 7 - Plug planting mix
- March anenome, Perovskia angustifolia, Spiraea × prunifolia, Water hemlock, Yellow flag Iris, Sphagnum, Purple loosestrife, Willow
- Creeping willow, Grey willow, Maidenhair

Typology 8 - Amenity grassland
- Common bent, Slender-creeping Red-fescue, Crean's meadow
- Common bent, Slender-creeping Red-fescue, Crean's meadow

Typology 9 - General purpose meadow mix (Temporary Works area)
- Common bent, Slender-creeping Red-fescue, Crean's meadow
- Common bent, Slender-creeping Red-fescue, Crean's meadow

NOTES:
- Information on site restrictions, access, parking areas, etc.
- To be confirmed.

For more detailed information on maintenance regimes and management responsibilities, refer to Landscape Management Plans report document and Landscape Maintenance Operations Schedule.

This drawing is to be read in conjunction with:
- The proposals for the major works, refer to drawing 060530177 (OX5316154 - Preliminary Design)

- Archaeological Method Statement Revised March 2018 (Middlemarch)
